

# MAGGIE VALLEY RIDES

## CHEROHALA SKYWAY LOOP

**Distance: 245 miles**

**Road type: scenic, twisty, sweepers**

**Travel time: 8 -9 hrs.**

**This route has it all from the twists and turns of the Tail of the Dragon – to the sweeping curves and scenic overlooks on the Cherohala Skyway. Riders will also get to visit Fontana Dam where a scene from the movie “*A Walk in the Woods*” was filmed – and no ride on the Skyway would be complete without a ride through the Tellico River Gorge to Bald River Falls.**
